TOGETHER

Pack your bags.
In 2022, we will
share our experiences,
we will laugh and
we will toast to celebrate
our triumphs ... and we will do it together!

Qualification period: 18 months July 1, 2020 – December 31, 2021

The destination and details for the 2022 convention are not yet defined. All our efforts are aimed at doing it in a safe place, following the authorities' security protocols for the time in which we hold the event so that we can enjoy ourselves together without putting any of the guests at risk.
